The chicken chow mein and chicken meatballs are the most delicious dishes I have ever tasted, and I have been in many Chinese restaurants throughout the UK.... I'll definitely come back here, even just to taste those chicken meat once again. This place is a real restaurant. I ate here many times, and I've never been disappointed. The staff is amazing, especially the young dark-haired man named Carwyn. He was very friendly and provided the best service a man could ask. Chicken chow mein and chicken meatballs are the most delicious dishes I've ever tasted, and I've been to many Chinese restaurants throughout the UK. This was by far the best I've ever seen. I'll definitely come back here, even just to taste those chicken meat once again. Made of small fresh pearls of hand-rolled jasmine that unfold while preparing, it has an elegant champagne color that looks stunning served in elegant glasses. But the most remarkable thing about our #55 Jasmine Dragon Pearls is its taste: sweet jasmine, intensely floral, perfumed with hints of spring green, witness to the period of the year in which this mono-original tea is collected. Two-star winner at the Great Taste Awards, this delicious perfumed drink comes from Fuzhou, in the southeast-eastern Fujian province, the historic home of jasmine tea. Each pearl is created by taking the long silvery and velvety buds of the Camellia sinensis bush, harvested in spring and rolled with care by handNaturally scented tea balls with fresh and aromatic jasmine flowers. Manual processing, from harvest to final product, ensures a soft and rounded taste, rounded of this special tea, perfect as a post-paste digestive or as refreshing afternoon infusion. Learn more about this tea and its health benefitsClose What are the health benefits of jasmine tea? Jasmine Dragon Pearls contains health benefits associated with all premium green teas. Some studies have shown that these may include anything, from the highest triggering factors to fat burning to anti-cancer properties, thanks to the fact that they are packaged with plant compounds rich in antioxidants called polyphenols, which are better preserved in green and white teas thanks to their less intensive processing methods. What is Jasmine Dragon Pearls tea? Known in China as 'mo li hua zhu', or jasmine flowers tea, Jasmine Dragon Pearls is a Chinese handmade tea based on premium green tea leaves and jasmine flowers. During production, tea leaves are layered with jasmine buds, which allow essential oils of jasmine to infiltrate into tea. The tea leaves are then gently rolled into beautiful pearls that unfold when immersed in hot water. A The Tea Makers in London work closely with some of the best growers and tea makers in the world, regularly visiting tea fields and local production facilities to ensure the highest quality. Each premium tea from our range of jasmine tea comes from Fuzhou, the capital of Fujian province in Southeast China. Thanks to the subtropical climate, short dry winters and high rainfall, this area is historically ideal for growing jasmine and tea plant, Camellia sinensis. The jasmine was originally planted in the 3rd century and was mixed with green tea leaves since the Song Dynasty (960-1279 AD). Variations of this fragrant green tea if you love this delicious floral blend, try our Jasmine green tea -another refreshing afternoon pick-up and a great food accompaniment. If you are looking for another unworked tea with intoxicating jasmine aromas, try something from our special white tea range: Jasmine Silver Needle from China or Rare Jasmine Silver Tips from Ceylon. Alternatively, we recommend Peony white tea for another floral beer with a pinch of fruity. With its long leaves and delicate blooms, jasmine tea is as beautiful as to see how much to drink. Enjoy watching it ferment in an elegant teapot or infuser from our amazing Glassware range. You can read more about this ancient Chinese style of tea in our Tea Journal Chinese green tea infused with jasmine flowers This tea offers an intense aroma of jasmine and a clear yellowish infusion. A delicate and soothing cup with notes of orchid and ripe pear with a distinct floral taste. Fujian is a coastal province of ChinaOn the shores of the South China Sea, in front of the Taiwan Strait of 110 miles. The province is predominantly mountainous and covered with dense forests. The altitude varies from sea level to 2,174 m at the summit of Mount Huanggang, in Wuyi mountains, offering a one Natural barrier between the coast and the interior of China. Find out more about the Fujian region, China's neighboring rivers are of great importance for transport and irrigation. Here the climate is a humid subtropical temperate (CFA), with hot summers with abundant rainfall and cold and dry winters, with occasional snow in the north-west and higher altitudes. Throughout the year, the skies are mostly covered with clouds, with light wind. The Province has an equally varied vegetation, which goes from the tropical species to cold tempered ones. The lower quotas, the subtropical forests are evergreen, decks of hardwood, Liane and ferns, as well as a varied fauna that includes many birds, amphibians and reptiles . Higher deciduous trees, conifers and rhododendrons abound. The Oolong, black and smoked teages come from the Wuyi mountains, in the north of the province; While the white teas come from the counting and Zhenghe counties, closer to the coast, but still elevated, on rich and fertile woodlands. The cultivation of rice is common in the valleys. 2g à € œ 3g 80A,Á ° C 200ml 2 à € 3mins intensely floral and based on early harvest leaves, a cup of our award-winning Chinese green tea Jasmine Dragon Pearls is full of spring joys.> With all the Orders in Italy higher than £ 25 loyalty points with all orders closed0.32 Me time Claudio This business Is this your business?
